

## YOUR VIEWS ARE INVITED

Global Energy Group Nigg Ltd is seeking feedback as part of this pre-application consultation on a Major development proposal for a High Voltage Cable Manufacturing Plant for the Renewables Industry on Land East of Nigg Energy Park and the B9175 road and north of the former Welding School at Nigg.

This exhibition is another opportunity to view the draft proposals for the development of the land. Please look at the information and drawings on display and discuss your views with the planning consultant and prospective applicants in attendance.

You can give your comments over the page and continue on a separate sheet as necessary then leave them in the box provided today. Alternatively, you can send these in by email and post to the addresses given over the page.

If you would like to be informed of the results of this consultation event you can give your contact details below.

Name:

Postal Address:

Email address:

Comments:

Comments made will be accounted for in advance of finalising the proposals.

You can leave your comments on the forms provided today or submit them by **10 MAY 2023** via:

◆ email to [y\\_macdonald@mabbett.eu](mailto:y_macdonald@mabbett.eu) or

◆ post to Mabbett Planning & Design, Willow House,  
Stoneyfield Business Park, Inverness, IV2 7PA

All of the information is available on [www.mabbett.eu](http://www.mabbett.eu)

**PLEASE NOTE: No planning application has been submitted and your comments are only to Global Energy Nigg Ltd at this stage, not to The Highland Council.**

**THANK YOU FOR TAKING THE TIME TO PARTICIPATE.**
